

GALEON 500

GALEON 500

Charter the stylish Galeon 500 Fly and explore the turquoise waters of Phuket and the Andaman Sea with comfort and sophistication. Known for its innovative design and iconic fold-out “beach mode” balconies, the Galeon 500 transforms into an impressive open-air platform, offering exceptional space for relaxing, socializing, and enjoying the sea up close.

Accommodating up to 6 guests across three modern cabins including a bright full-beam master suite the yacht delivers the perfect balance of luxury and practicality for families and small groups.
