# MIA KAI

Following a complete interior and exterior refit, finalised with new teak decks fitted in October 2016, MIA KAI is in immaculate condition! She received numerous upgrades and a brand-new, tasteful interior, in a subtle, neutral colour palette. The salon has large sofas and chairs with soft leather furnishings and all carpeting and furnishings of salon and cabins were replaced.

For overnight charters, MIA KAI accommodates 8 guests in 4 cabins. The full-beam Master with tall windows on port and starboard, has a walk-in wardrobe and ensuite bathroom with a bath tub. The full-beam VIP stateroom is seemingly even more spacious with a high ceiling and abundant natural light. The two twin cabins have ensuite bathrooms and an individual entertainment system.

Children and adults alike will be delighted with the Jacuzzi and the comfy-cushioned sun pads on the fly bridge, offering panoramic views. There is abundant deck space with plenty of sun pads to work on your sun tan.

MIA KAI is one of the few Thai-flagged luxury charter yachts available in Southeast Asia and is based in Phuket. She is ideal for families with children, a corporate cruise or a holiday with friends. An awesome selection of water toys and water sports activities guarantees a funfilled yacht charter vacation!
