## M/Y SEA STAR

## SPECIAL FEATURES

- **Deck2Deck™ Aft Platform** - Transforms the cockpit into a spacious terrace over the sea—ideal for lounging or entertaining.
- **Full Teak Decking** - Teak laid across all exterior guest areas, including flybridge and foredeck, for a premium finish.
- **Hardtop Flybridge** - Sleek carbon fiber structure with integrated lighting and shade—perfect for extended time on deck.
- **Paonazzetto Marble & Statuario Quartzite Surfaces** - High-end materials used in bathrooms and galley, offering understated luxury.
- **Neutral Interior Package** - Tasteful, contemporary palette by Achille Salvagni—designed to be turnkey yet adaptable to personal styling.
- **Main Deck Master Cabin** - A full-beam owner's suite with large windows and private access—offering privacy and views rarely found at this size.
- **Dynamic Positioning System** - Ideal for short-handed cruising, anchoring off busy bays, or waiting near port without dropping anchor
- **Garage with Tender Launch System** - Seamless integration of tender storage and deployment—no additional outfitting needed.
- **Luxury Exterior Lighting Package** - Includes underwater lights and spreader lights for dramatic evening ambiance

## M/Y SEA STAR

## BROKERS COMMENTS

A BRAND-NEW AZIMUT GRANDE 26M AVAILABLE NOW WITH FULL WARRANTY, HIGH-VOLUME DESIGN, AND IMMEDIATE DELIVERY.

Delivered in 2025 and still under **full shipyard warranty**, SEA STAR is offered in **brand-new, unused condition**. She has never been operated and represents an immediate opportunity to acquire a fully spec'd example of the **Azimut Grande 26M** without the wait of a new build.

Though her overall length is just over 26 metres, SEA STAR is **classified under 24m** load line length. This allows for private use with fewer regulatory constraints while still benefitting from the volume and features expected on larger yachts. With a beam of 6.3 metres and a full-load displacement of over 84 tonnes, she offers exceptional interior space and comfort.

Her layout includes **five guest cabins** for up to ten guests, including a **full-beam master suite** on the main deck. The guest Cabins consist of **two identical VIP Cabins**, one double cabin, and one twin cabin. All cabins have full size en-suite bathrooms. Crew are accommodated in a separate crew area with a lounge, and two cabins .

The interior is finished in a neutral, modern palette by Achille Salvagni, designed to complement a variety of personal styles. Floor to ceiling windows on the main deck allow for stunning views from the Salon and Master Cabin. Vast deck spaces include an extensive flybridge/upper deck, as well as Azimuts' Deck2Deck<sup>TM</sup> Aft Cockpit.

Performance and handling are enhanced by **fin stabilizers**, **upgraded MASE generators**, and a **dynamic positioning system**. Teak decking covers all exterior guest areas, and a retractable hardtop provides shade and shelter on the flybridge. The yacht is equipped with a **full Raymarine navigation suite**, and **exterior lighting upgrades**.
