 Generators / Hours
Fisher Panda (new)

INVICTUS GT 320

BROKERS COMMENTS

The Invictus GT 320 is a perfect blend of Italian flair, smart design, and performance. Delivered new in 2025 and VAT paid, this example has seen no expense spared. The Cognac upholstery and Wild Bronze hull give her a distinctive, upscale presence on the water, complemented by the sleek black hardtop and full teak decking throughout.

With her twin Volvo Penta V8 350 engines and Z-drive propulsion, she delivers impressive performance with a top speed of 43 knots, while cruising comfortably at 26. Her range of 175nm at 23 knots makes her ideal for fast-paced coastal cruising around the Riviera or island hopping further afield.

On deck, the layout is both stylish and functional, offering a walkaround design with a central console, generous aft lounge with BBQ station, and a spacious bow sunpad with integrated speakers and cup holders. Below deck, the open-plan salon and full-size aft cabin offer sleeping space for four, all finished with a contemporary yet cozy aesthetic, including ambient lighting and high-quality detailing throughout.

Highlights include the upgraded Fusion sound system, underwater lights, joystick control, bow thruster, and a carbon pole awning—making her not just a head-turner, but a joy to handle and spend time aboard.

This Invictus GT 320 is lying in Monaco and available for immediate viewings.

INVICTUS GT 320
